

NFSA – IAF: Make a Contribution

Thank you for your consideration in making a contribution into the Industry Advancement Fund (IAF). Your contribution along with those of other friends of the fire sprinkler industry will be pooled and used toward the continued advancement of the fire sprinkler concept. Since IAF contributions are strictly voluntary, the schedule shown below is simply a guideline to be used in consideration of making a contribution.

- \$2,000: Industry supporter
- \$5,000: Industry promoter
- \$10,000: Bronze level
- \$20,000: Silver level
- \$30,000: Gold level
- \$50,000: Platinum level

For the convenience of our contributors, contributions may be paid on an annual basis, or in twelve equal monthly installments.

- Company check enclosed payable to Industry Advancement Fund
